

# CERN OPENLAB

Or as we call it, the 9-week barbecue

# About this Presentation

- Learn about being a student at CERN
- Maximize your productivity
- Quick-fixes and life-hacks

But most importantly...

- Have some fun!

©CERN OpenLab 2017

## OUR SHOPS

### Enjoy your instant shopping with ease and family

Discover our many signs for the whole family. Find the best of fashion women, fashion men, beauty and health without forgetting the culture ...

Cost-wise: France < Switzerland (in general)

CERN ID Discounts – Apple stores, Sephora, Go Sports, etc.  
(ALL you need to do is ask)

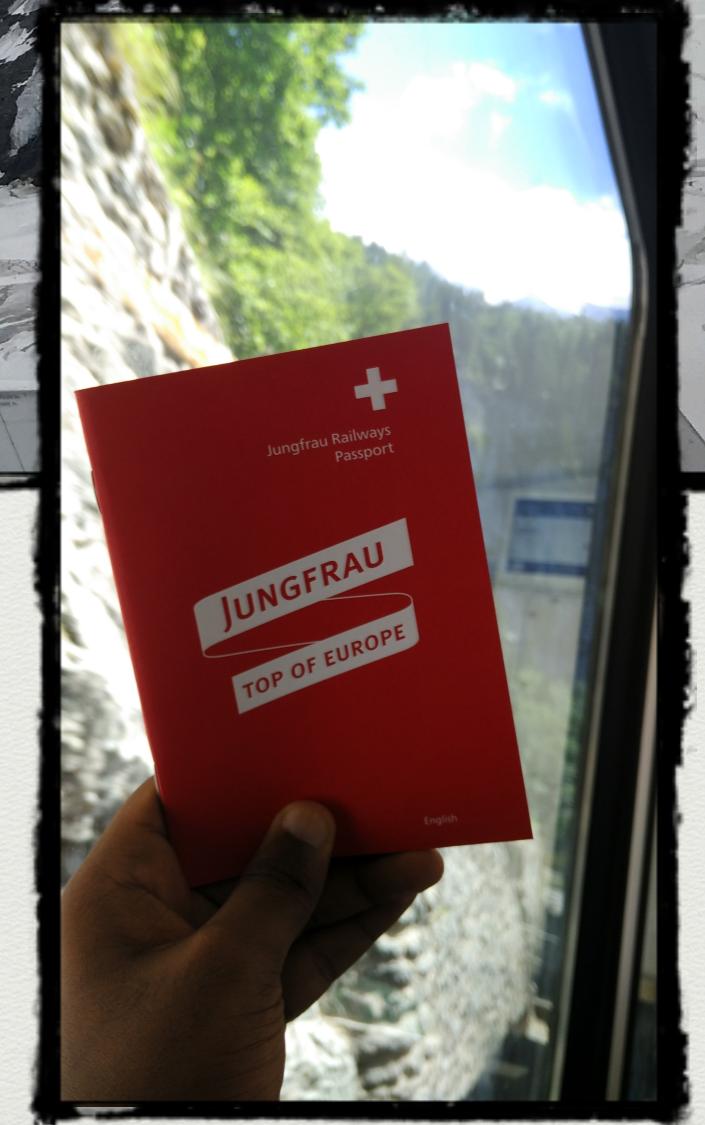

# Weekend Outings

- Saleve, Geneva
- Broc-Gruyeres Chocolate and Cheese Factories
- Mt. Schilthorn, Jungfraujoch, Interlaken
- Bern, 'Old City'
- Mt. Chamonix - Lac Blanc
- Nice, France
- Milan, Italy ( Cinque Terre also in Italy)
- Paris
- Europa Park - Germany

From one of the top most viewing  
points in Europe - Jungfraugoch

When we party, we party HARD

...and we party everyday (well, almost!)

# Car Rentals

- Cheaper for groups of 4-5
- Vignette required for Swiss travel (40CHF)
  - will advice to always take the car from Swiss side.
- Valid Driver's License required
- Most rentals available at the airport
- Start early (9am)!

# Car Hire – Search, Compare & Save

Compare 900 companies at over 53,000 locations. Best price guaranteed

## Let's find your ideal car

Pick-up Location

 city, airport, station, region, district...

Drop car off at different location

Pick-up Date:

Sat 26 May 2018

10

Drop-off Date:

Tue 29 May 2018

10

Driver aged between 30 – 65?

Rentalcars.com connects you to the biggest brands in car hire.

The cheapest and most convenient mode of transport for weekends (vacations) is probably a car.

Drive Safe!

# Disclaimers

- Always follow the CERN Code of Conduct
- No Torrent in CERN
- ALSO NO BITCOIN MINING (don't abuse computing resources)
- None of this is foolproof advice
- Always take informed, rational decisions
- When in doubt, just ask!
